b. Individual Trays		
c. Articulator with pre-mounted master casts		
d. Examinees own mounted master casts with the trial wax dentures		
		Total – 100%

- To the examinees who are going to use the semi-adjustable articulator, PRC will not be liable if there will be any form of damage to the device due to transport.

NOTE:

- Examinees shall bring their own disinfectants, Lysol, alcohol 70% Isopropyl and shall disinfect their own respective area and all materials needed under the supervision of the proctor.
- Talking and murmuring are not allowed during the examination.
- In case of malfunctions of devices, the watchers should be called for assistance.
- Articulators and hand instruments should not have identifying color or mark.
- Examinees shall exercise great caution with the use of alcohol as disinfectants since they are highly flammable and also in the use of torches in the complete denture exercise.
- Only Dental Instruments and Dental Materials that will be utilized for the Practical Examination will be allowed in the work area **placed in transparent bags/containers**. Other objects not usually used in the examination will be confiscated. Any examinee caught cheating in any form, including doing short-cuts, will be automatically disqualified from taking both the Dental Theoretical and Practical Examinations and shall be perpetually barred from taking any licensure examination administered by the Professional Regulation Commission. **No marking/name on any instrument, including trays and articulator, shall be allowed.**
- Examinee shall proceed to their respective school assignments to pay the incidental expenses on the use of the equipment and dental infirmary, and for orientation on the conduct of the practical licensure examination.
- The Revised Standard Guidelines on the Strict Observance of Health Protocols in the Conduct of Licensure Examinations during Public Health Emergency and/or Pandemic under Joint Administrative Order No. 01 (s. 2022) shall be observed.

IMPORTANT: READ CAREFULLY AND UNDERSTAND THE INSTRUCTIONS BEFORE PERFORMING ANY EXERCISE. WEAR PERSONAL PROTECTIVE EQUIPMENT (PPE).
