I. LICENSURE EXAMINATION SERVICES

LICENSURE APPLICATIONS

In fulfillment of its function to administer licensure examinations, for the year 2018, the Professional Regulation Commission (PRC) has processed and issued a total of 558,964 applications for licensure in the Central and Regional Offices, including applications without examination, which is 28.8% above the target of 433,991.

100% of these applications have been acted upon within two (2) days of filing by the end of December 2018, except those which require action of the Professional Regulatory Boards (PRBs).

Indicated in the following graph is the total transaction per quarter, which depicts that the third quarter of 2018 had the greatest number of application transactions:

LICENSURE EXAMINATIONS

To ensure the quality, relevance, and acceptability of the test items, 75 item analyses with test consultants and 96 peer reviews have been conducted by the PRBs.

Within the year, 80 scam-free licensure examinations were conducted in various testing centers, with a total of 558,964 examinees.

The Board for Professional Teachers have the most examinees in 2018 with a staggering total of 353,328 takers, followed by the Board for Criminologists with 63,224. The following graph shows the five (5) Boards with the most examinees:

85 licensure examinations were processed by the Rating Division for releasing of results from January to December 2018. Of the 611,463 examinees who took these examinations, 236,677 passed, which is 38.71% of the total number.

1.3. EXAMINATION PASSERS

SPECIAL PROFESSIONAL LICENSURE EXAMINATION (SPLE)

Recognizing the important role of professionals in nation-building, and in compliance with Executive Order No. 835 dated October 6, 2009, the PRC, in cooperation with other concerned government agencies, conducted the yearly Special Professional Licensure Examination (SPLE) in Abu Dhabi-UAE, Al Khobar, Riyadh, Jeddah, Doha-Qatar, Kuwait, Oman, Bahrain, and Singapore for the benefit of Overseas Filipino Workers (OFWs).

A total of 4,532 OFWs in the said venues took the SPLE.

Additionally, a SPLE for Professional Teachers was also conducted in Hongkong and Thailand on September 30, 2018, simultaneous with the local conduct, with 608 and 295 examinees, respectively.

16 PRBs administered the SPLE in 2018. These are the Boards of Accountancy, Architecture, Civil Engineering, Dentistry, Electronics Engineering, Environmental Planning, Geodetic Engineering, Master Plumbing, Mechanical Engineering, Midwifery, Nursing, Physical Therapy, Radiologic Technology, Respiratory Therapy, Professional Teachers, and Veterinary Medicine.

In line with the Continued Impact Assessment of PRC/PRB Laws, Regulations, Policies and Procedures program of PRC, the Commission issued the Revised Criteria in the Selection of Personnel to Compose the PRC Examination Team (Delegation) to be Deployed for Overseas Special Professional Licensure Examination (SPLE) and the Criteria and Procedures on the Designation of Testing Centers for the SPLE.

II. REGISTRATION AND LICENSING SERVICES

INITIAL REGISTRATION

For 2018, a total of 205,055 new professionals/ licensure examination passers have been registered, which is 31.7% more than the target 155,756 initial registration transactions. The third quarter of 2018 had the greatest number of registrants, with a total of 56,224 new professionals registered. The following graph shows the breakdown of transactions per quarter:

RENEWAL OF PROFESSIONAL IDENTIFICATION CARDS

A total of 437,178 Professional Identification Cards (PICs) have been renewed within the process cycle time in 2018, which is 77.11% of the target 566,976 PICs. The

fourth quarter had the greatest number of PICs renewed with 437,178 transactions. The following graph depicts the breakdown of renewal transactions per quarter:

437,178

ENHANCEMENT OF PRC PUBLIC ASSISTANCE/ INFORMATION SYSTEM

As a response mechanism to the query of the public, a total of 29,452 calls were received and responded to by the Commission. Queries usually include request for information on CPD, renewal process and procedures, among others.

Other vital information on PRC Services may also be accessed through the Commission's official website, Facebook page, and Twitter handle, through which the public may also course their inquiries/concerns. 285 articles, announcements/advisories, and press releases have been disseminated through these channels.

A total of 21,137 queries have been received and responded to with accurate information through email and social media platforms. The following shows the breakdown:

Further, in view of the Promotion and Branding of Filipino Professionals, the Commission have also had seven (7) TV appearances and 40 radio guestings for interviews.

PRC REORGANIZATION

To enable the agency to effectively pursue its mandate and perform critical functions as provided by R.A. 8981 (PRC Modernization Act of 2000), a reorganization

of its organizational structure and staffing pattern is necessary, and is therefore continuously being implemented.

In view of the upcoming operation of the newly-approved Regional Offices, namely NCR and Regions I, III, IV-B, XII, and XIII, the Task Force for the Operationalization of Newly-Approved Regional Offices (TF New RO) have assigned focal persons during the first quarter to plan, prepare, and coordinate activities in relation thereto. Such activities include, but are not limited to, the scouting, identifying, and negotiating for the office venue, application for the installation of various utilities (i.e., water, electricity, telephone, internet), construction and/or renovation works, deployment of personnel, and publicity and inauguration of the Regional Office.

Regional Coordinators for the newly-approved Regional Offices have also been assigned through Office Order No. 2018-664. They are tasked to oversee day-to-day operations of the Office, supervise employees, and ensure implementation of the policies, programs, rules, and regulations adopted by the Commission.

Aside from the preparation activities for the operationalization of the new Regional Offices, the hiring of personnel and filling up of vacant positions and/or promotions in various PRC Offices are also ongoing.

By the end of the fourth quarter of 2018, a total of 860 appointments have been sent to the Civil Service Commission (CSC) for attestation, 552 of which have been returned/ attested.

The publishing of vacant positions is also continuously being published. The positions vacated by promoted employees from various PRC Offices have been republished, along with the unfilled vacant positions. Other hiring activities are also continuously ongoing.

Additionally, the Notice of Organization, Staffing and Compensation Action (NOSCA) for the reorganization of PRC issued by the Department of Budget and Management (DBM) is currently undergoing review by the DBM Organization, Position Classification and Compensation Bureau (OPCCB). 40 positions included therein from 10 PRC Offices have been identified as erroneous, and are for correction of the DBM.

VI. INSTITUTIONAL PROJECTS

EXPANSION OF PRC OFFSITE SERVICE CENTERS

The Commission aims to bring its frontline services closer to the Filipino professionals, with convenience and accessibility as paramount factors. In 2018, 12 new operational PRC Service Centers in Robinsons Mall have been opened. These are in:

San Nicolas, Ilocos Norte	Ormoc, Leyte
