

**CONTRACT AGREEMENT FOR SUPPLY AND DELIVERY OF ONE HUNDRED
TWENTY-FOUR (124) SETS OF DESKTOP COMPUTER – REBID**

CS-11-2021-60 dated November 22, 2021

THIS AGREEMENT made the 22nd day of November § 2021 between **PROFESSIONAL REGULATION COMMISSION** of the Philippines (hereinafter called "the Entity") of the one part and **MACROLOGIC DIVERSIFIED TECHNOLOGIES INC** of 3F Macrologic Corporate Centre No. 9054, Molino 3, Molino Road, Bacoor Cavite, of the Philippines (hereinafter called "the Supplier") of the other part;

WHEREAS, the Entity invited Bids for certain goods and ancillary services, particularly Supply and Delivery of One Hundred Twenty-Four (124) Sets of Desktop Computer – Rebid and has accepted a Bid by the Supplier for the supply of those goods and services in the sum of Five Million Four Hundred Sixty-Three Thousand One Hundred Ninety-Two Pesos (Php5,463,192.00) only. (hereinafter called "the Contract Price").

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

1. In this Agreement words and expressions shall have the same meanings as are respectively assigned to them in the Conditions of Contract referred to.
2. The following documents as required by the 2016 revised Implementing Rules and Regulations of Republic Act No. 9184 shall be deemed to form and be read and construed as integral part of this Agreement, *viz.*:
 - i. Philippine Bidding Documents (PBDs);
 - i. Schedule of Requirements;
 - ii. Technical Specifications;
 - iii. General and Special Conditions of Contract; and
 - iv. Supplemental or Bid Bulletins, if any
 - ii. Winning bidder's bid, including the Eligibility requirements, Technical and Financial Proposals, and all other documents or statements submitted;

Bid form, including all the documents/statements contained in the Bidder's bidding envelopes, as annexes, and all other documents submitted (e.g., Bidder's response to request for clarifications on the bid), including corrections to the bid, if any, resulting from the Procuring Entity's bid evaluation;
 - iii. Performance Security;
 - iv. Notice of Award of Contract; and the Bidder's conforme thereto; and
 - v. Other contract documents that may be required by existing laws and/or the Procuring Entity concerned in the PBDs. **Winning bidder agrees that additional contract documents or information prescribed by the GPPB that are subsequently required for submission after the contract execution, such as the Notice to Proceed, Variation Orders, and Warranty Security, shall likewise form part of the Contract.**
3. In consideration for the sum of Five Million Four Hundred Sixty-Three Thousand One Hundred Ninety-Two Pesos (Php5,463,192.00) or such other sums as may be ascertained, Macrologic Diversified Technologies Inc. agrees to provide the goods and services and to remedy defects therein in conformity, in all respects, with the Terms of Reference in accordance with his/her/its Bid.
4. The Professional Regulation Commission agrees to pay the above-mentioned sum in accordance with the terms of the Bidding.

IN WITNESS whereof the parties hereto have caused this Agreement to be executed in accordance with the laws of the Republic of the Philippines on the day and year first above written.

Date: October 25, 2021
Invitation to Bid No: 2021-20

To: PROFESSIONAL REGULATION COMMISSION

Having examined the Philippine Bidding Documents (PBDs) including the Supplemental or Bid Bulletin Numbers *[insert numbers]*, the receipt of which is hereby duly acknowledged, we, the undersigned, offer the **SUPPLY AND DELIVERY OF ONE HUNDRED TWENTY-FOUR (124) SETS OF DESKTOP COMPUTER – REBID** with Approved Budget for the Contract of Five Million Four Hundred Sixty-Eight Thousand Three Hundred Sixty-One Pesos and Fifty-Six Centavos (Php5,468,361.56) - (ITB No. 2021-20).

In conformity with the said PBDs for the sum of Total Bid Price:

TOTAL BID PRICE for the Project (Inclusive of all taxes and bank charges):

P 5,463,192.00

Five Million Four Hundred Sixty-Three Thousand One Hundred Ninety-Two Pesos

(In Words)

If our Bid is accepted, we undertake:

To deliver the goods in accordance with the delivery schedule specified in the Schedule of Requirements of the Philippine Bidding Documents (PBDs);

To provide a performance security in the form, amounts, and within the times prescribed in the PBDs;

To abide by the Bid Validity Period specified in the PBDs and it shall remain binding upon us at any time before the expiration of that period.

Commissions or gratuities, if any, paid or to be paid by us to agents relating to this Bid, and to contract execution if we are awarded the contract, are listed below:

Section IV. General Conditions of Contract

1. Scope of Contract

This Contract shall include all such items, although not specifically mentioned, that can be reasonably inferred as being required for its completion as if such items were expressly mentioned herein. All the provisions of RA No. 9184 and its 2016 revised IRR, including the Generic Procurement Manual, and associated issuances, constitute the primary source for the terms and conditions of the Contract, and thus, applicable in contract implementation. Herein clauses shall serve as the secondary source for the terms and conditions of the Contract.

This is without prejudice to Sections 74.1 and 74.2 of the 2016 revised IRR of RA No. 9184 allowing the GPPB to amend the IRR, which shall be applied to all procurement activities, the advertisement, posting, or invitation of which were issued after the effectivity of the said amendment.

Additional requirements for the completion of this Contract shall be provided in the Special Conditions of Contract (SCC).

2. Advance Payment and Terms of Payment

2.1. Advance payment of the contract amount is provided under Annex "D" of the revised 2016 IRR of RA No. 9184.

2.2. The Procuring Entity is allowed to determine the terms of payment on the partial or staggered delivery of the Goods procured, provided such partial payment shall correspond to the value of the goods delivered and accepted in accordance with prevailing accounting and auditing rules and regulations. The terms of payment are indicated in the SCC.

3. Performance Security

Within ten (10) calendar days from receipt of the Notice of Award by the Bidder from the Procuring Entity but in no case later than prior to the signing of the Contract by both parties, the successful Bidder shall furnish the performance security in any of the forms prescribed in Section 39 of the 2016 revised IRR of RA No. 9184.

4. Inspection and Tests

The Procuring Entity or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Project specifications at no extra cost to the Procuring Entity in accordance with the Generic Procurement Manual. In addition to tests in the SCC, Section IV (Technical Specifications) shall specify what inspections and/or tests the Procuring Entity requires, and

where they are to be conducted. The Procuring Entity shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.

All reasonable facilities and assistance for the inspection and testing of Goods, including access to drawings and production data, shall be provided by the Supplier to the authorized inspectors at no charge to the Procuring Entity.

5. Warranty

5.1 In order to assure that manufacturing defects shall be corrected by the Supplier, a warranty shall be required from the Supplier as provided under Section 62.1 of the 2016 revised IRR of RA No. 9184.

5.2 The Procuring Entity shall promptly notify the Supplier in writing of any claims arising under this warranty. Upon receipt of such notice, the Supplier shall, repair or replace the defective Goods or parts thereof without cost to the Procuring Entity, pursuant to the Generic Procurement Manual.

6. Liability of the Supplier

The Supplier's liability under this Contract shall be as provided by the laws of the Republic of the Philippines.

If the Supplier is a joint venture, all partners to the joint venture shall be jointly and severally liable to the Procuring Entity.

Incidental Services –

The Supplier is required to provide all of the following services, including additional services, if any, specified in Section VI. Schedule of Requirements:

- performance or supervision of on-site assembly and/or start-up of the supplied Goods;
- performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and

The Contract price for the Goods shall include the prices charged by the Supplier for incidental services and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services.

Packaging –

The Supplier shall provide such packaging of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in this Contract. The packaging shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packaging case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

The packaging, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified below, and in any subsequent instructions ordered by the Procuring Entity.

The outer packaging must be clearly marked on at least four (4) sides as follows:

Name of the Procuring Entity
Name of the Supplier
Contract Description
Final Destination
Gross weight
Any special lifting instructions
Any special handling instructions
Any relevant HAZCHEM classifications

A packaging list identifying the contents and quantities of the package is to be placed on an accessible point of the outer packaging if practical. If not practical the packaging list is to be placed inside the outer packaging but outside the secondary packaging.

Transportation –

Where the Supplier is required under Contract to deliver the Goods CIF, CIP, or DDP, transport of the Goods to the port of destination or such other named place of destination in the Philippines, as shall be specified in this Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.

Where the Supplier is required under this Contract to transport the Goods to a specified place of destination within the Philippines, defined as the Project Site, transport to such place of destination in the Philippines, including insurance and storage, as shall be specified in this Contract, shall be arranged by the Supplier, and related costs shall be included in the contract price.

Where the Supplier is required under Contract to deliver the Goods CIF, CIP or DDP, Goods are to be transported on carriers of Philippine registry. In the event that no carrier of Philippine registry is available, Goods may be shipped by a carrier which is not of Philippine registry provided that the Supplier obtains and presents to the Procuring Entity certification to this effect from the nearest Philippine consulate to the port of dispatch. In the event that carriers of Philippine registry are available but their schedule delays the Supplier in its performance of this Contract the period from when the Goods were first ready for shipment and the actual date of shipment the period of delay will be considered force majeure.

The Procuring Entity accepts no liability for the damage of Goods during transit other than those prescribed by INCOTERMS for DDP deliveries. In the case of Goods supplied from within the Philippines or supplied by domestic Suppliers risk and title will not be deemed to have passed to the Procuring Entity until their receipt and final acceptance at the final destination.

	Intellectual Property Rights – The Supplier shall indemnify the Procuring Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof.
2.2	No further instructions.
3	Performance Securing Declaration (PSD), if used as alternative Performance Security i. Winning bidder shall submit a PSD within a maximum period of ten (10) calendar days from the receipt of Notice of Award prior to the signing of the Contract; and ii. Winning bidder accepts that it will be automatically disqualified from the bidding for any procurement contract with any PE for a period of one (1) year for the first offense, or two (2) years for the second offense, upon receipt of Blacklisting Order if it has violated its obligations under the Contract; and iii. Winning bidder understand that the PSD shall cease to be valid upon: 1. issuance by the PE of the Certificate of Final Acceptance, subject to the following conditions: a. PE has no claims filed against the contract awardee; b. PE has no claims for labor and materials filed against the contractor, and c. Other terms of the contract; or 2. replacement by the winning bidder of the submitted PSD with a performance security in any of the prescribed forms under Section 39.2 of the 2016 revised IRR of RA No. 9184 as required by the end-user.
4	The inspections and tests that will be conducted shall be in accordance with Section VII. Technical Specifications.

Bids and Awards Committee
Professional Regulation Commission, P. Paredes Street, Sampaloc, Metro Manila

Dear Sir or Madam:

LETTER OF CONFIRMATION

Supply and Delivery of One Hundred Twenty-Four (124) Sets of Desktop Computer-Rebid/ITB No.2021-20 (the "Project")

We confirm as follows:-

1. Macrologic Diversified Technologies Inc. having an address at Macrologic Corporate Center, #9054 Molino Road, Brgy. Molino 3, Bacoor City, Cavite (the "**Bidder**"), is authorized to quote and resell Dell products and/or services products in Philippines (the "**Territory**") as part of their bid for the abovementioned Project in their own capacity:-

- Dell Products

The Bidder shall acquire such Dell products and/or services products from an Authorized Dell Distributor in the Territory listed at <https://www.dell EMC.com/partner/en-sg/partner/find-a-partner.htm>.

2. The Bidder shall provide first level support to you in respect of all hardware-related issues pertaining to the Dell products and thereafter to escalate any unresolved issues to the Authorized Distributor. Dell will provide support and assistance for the Dell products and/or services to the Authorized Distributor in accordance with the terms of the prevailing channel partner agreement.
3. The Bidder is an independent contractor at all times and Bidder does not make any commitments/obligations on behalf of Dell.
4. The above confirmation for the supply of the above-mentioned products, or services and access to related technology, (the "Materials") is subject to the following conditions:-
 - The Materials are for your own use, not for resale, export, re-export or transfer.
 - The Materials is subject to compliance with export control and economic sanctions laws of the United States and the Territory.
 - The Materials and may not be used, sold, leased, exported, imported, re-exported, or transferred except with prior written authorization by Dell EMC and in compliance with such laws, including, without limitation, export licensing requirements, end-user, end-use, and end-destination restrictions, and prohibitions on dealings with sanctioned individuals and entities, including but not limited to persons on the Office of Foreign Assets Control's Specially Designated Nationals and Blocked Persons List or the U.S. Department of Commerce Denied Persons List. Customer represents and warrants that it is not the subject or target of, and that Customer is not located in a country or territory (including without limitation, North Korea, Cuba, Iran, Syria, and Crimea) that is the subject or target of, economic sanctions of the United States or other applicable jurisdictions.

We respectfully look forward to receiving your cooperation in order for the above conditions to be implemented.

Thanking you in anticipation for your support to Dell.

Source: IDC Quarterly Personal Computing Device Tracker, July 12, 2021

Notes:

- * IDC declares a statistical tie in the worldwide Traditional PC market when there is a difference of one tenth of one percent (0.1%) or less in the shipment shares among two or more vendors.
- Some IDC estimates prior to financial earnings reports. Data for all companies are reported for calendar periods.
- * Shipments include shipments to distribution channels or end users. OEM sales are counted under the company/brand under which they are sold.
- * Traditional PCs include Desktops, Notebooks, and Workstations and do not include Tablets or x86 Servers. Detachable Tablets and Slate Tablets are part of the Personal Computing Device Tracker but are not addressed in this press release.

2. PC Ranking in IDC Q1 2021: As of April 9, 2021, Dell Technologies is in No. 3 position.

OPTIPLEX

Intelligence you can rely on

INTRODUCING THE NEW OPTIPLEX FAMILY

With flexible designs and built-in artificial intelligence, OptiPlex desktops are more intelligent than ever. The next generation of OptiPlex features smarter and faster desktops with proven reliability from the brand with 28 years of customer-led innovation.

Learn more at dell.com/OptiPlex

CERTIFIED TRUE COPY *John*

Why Choose OptiPlex

SMARTER, FASTER, MORE INTELLIGENT DESKTOPS

FASTER, MORE RESPONSIVE EXPERIENCES

Discover the world's most intelligent PC's with built-in artificial intelligence. OptiPlex 5000 and 7000 series desktops learn and adapt to how you work with the intelligence of Dell Optimizer ExpressResponse, which optimizes the performance of the user's top 5 apps so they can work at their full potential and increase productivity. New ExpressConnect automatically joins the strongest access point and directs bandwidth to critical applications, including conferencing apps for better meeting experiences. Achieve right-sized performance with up to 11th generation Intel[®] Core[™] i9 processors, flexible expansion options including CPU, SSD, PCIe NVMe and rich connectivity for personalized configurations. OptiPlex is committed to getting users productive quicker and more efficiently with details like smart sign-on and connectivity that provides more freedom from wires.

SMART SOLUTIONS

The next generation introduces new and expanded all-in-ones for better collaboration than ever, and redesigned towers to maximize air intake to stay cool while providing easier access to parts, plus more matching peripherals. The compact and powerful micro, now with the most mounting options, gets out of your way to get work done. OptiPlex 3090 and 7090 Ultra are ideal solutions for customers seeking an all-in-one experience but also want complete flexibility in monitor choice and control of their IT refresh cycle. OptiPlex Ultra is the world's most flexible desktop¹, delivering full power in an innovative, zero footprint design while completely hiding the PC inside a monitor stand. Sustainably-built, OptiPlex All-in-One and Towers contain at least 35% post-consumer recycled plastics (PCR).²

TAILORED END USER EXPERIENCES

Experience immersive productivity with towers built ready for virtual reality consumption and the latest display technology. Matching multi-monitor support provides seamless viewing for towers and all-in-ones. OptiPlex delivers solutions to make collaboration smart and easy. Intelligent Audio technology intuitively optimizes audio and microphone performance for a premium audio experience and better collaboration. Create a secure, clutter-free workspace with purpose-built mounts, stands and cable covers. OptiPlex solutions are intentionally designed to work together to provide users a seamless, uninterrupted workflow.

TRUSTED PARTNER

OptiPlex is the trusted name in desktops with 28 years of customer-centered innovation. Designed to be most reliable, OptiPlex is a pioneer in quality testing, going beyond MIL-STD, and is the dependable partner throughout committed lifecycles. Keep the competitive advantage yours with trusted devices from Dell Technologies that have embedded and optional security solutions and services. OptiPlex is part of the world's most secure PC fleet.³ Enjoy fast, flexible low touch IT with the comprehensive solution to deploy, secure, manage and support any device from the cloud with Dell Software and Services Solutions.

FEATURED ON THE OPTIPLEX FAMILY

- Most intelligent business PC's with built-in AI⁴ for 5000 and 7000 series
- Up to 11th generation Intel[®] Core[™] i9 processors
- OptiPlex 3090 and 7090 Ultra feature 11th generation Intel[®] mobile processors
- Up to 128GB of 3200MHz DDR4 memory drive the most responsive OptiPlex PC yet
- Optional integrated Intel[®] Wi-Fi 6 (Gig+) for stronger connectivity than ever
- All platforms endure rigorous quality testing and surpass MIL-STD 810H standards
- Hardware built securely featuring TPM 2.0, optional chassis intrusion switches and lockable port and cable covers
- Tool-less design for easy serviceability and expandability
- Accessories designed and tested to enable ultimate productivity for OptiPlex users
- EPEAT Gold and ENERGY STAR qualified on select configurations

CERTIFIED TRUE COPY

Meet the OptiPlex Family

WHEN THE DESKTOP WORKS YOUR WAY, EFFICIENCY IS UNLIMITED

OPTIPLEX 3090 AND 7090 ULTRA

OptiPlex Ultra is the smallest full-performance desktop solution on the planet[®]. With the Ultra stands, this modular all-in-one solution can be paired with a variety of monitors up to 40" to fit any workspace.

Modular All-in-One solution: The PC hides in the display stand to create an easy to deploy full performance modular all-in-one solution where the PC can be upgraded separately from the monitor for greater TCO.

Power your workflow: Featuring 11th gen Intel[®] mobile architecture up to Core i7, up to 64gb 3200MHz DDR4 RAM, dual SSD storage, WiFi 6, and Dell Optimizer with built-in AI. (Dell Optimizer and i7 available on 7090 only).

Robust Ecosystem: Pair with 24" FHD up to 34" QHD multi-media monitors with integrated speakers, IR webcam, USB-C connectivity and up to four monitors at once for maximum productivity.

OPTIPLEX 7780 ALL-IN-ONE

A premium, intelligent 27" all-in-one that delivers best-in-class performance, audio and video. Now featuring the built-in artificial intelligence of Dell Optimizer. Optional Intel[®] vPro[™] supports remote and advanced out-of-band management capabilities.

Work smart: With a Full HD IPS touch or non-touch display. Featuring Windows 10 Modern Standby to enable an instant on/instant off user experience to achieve low power and constant connectivity.

Immersive productivity: High-end discrete graphics deliver a powerful and efficient work experience.

Ultimate collaboration: Optional pop-up webcam available with Full HD or infrared camera features Windows Hello sign on support, while the quad mic array and performance speaker with Intelligent Audio make smart adjustments to communicate and collaborate more efficiently. Available with Intel Unite[®] software to enable smart and secure meetings.

OPTIPLEX 7490 ALL-IN-ONE

A premium, intelligent 24" all-in-one that delivers best-in-class performance, audio and video. Featuring the built-in artificial intelligence of Dell Optimizer. Optional Intel[®] vPro[™] supports remote and advanced out-of-band management capabilities.

Sleek and expansive: Its design boasts a small footprint while optimizing screen space with brilliant edge-to-edge Full HD IPS display technology. Available with a glare-free matte touch option.

Faster user experiences: Optimize the performance of your top 5 apps with the built-in artificial intelligence of Dell Optimizer ExpressResponse. New ExpressConnect provides better conferencing experiences. It features dual M.2 slots for Optane, SSD, 64GB DDR4 memory, and double data transfer speed than previous generation with USB 3.2 Type C. Gen 2X2 (20Gbps Data), experience no lag or delay in productivity.

Innovative collaboration: A quad mic array and mainstream speaker with Intelligent Audio make smart adjustments to communicate & collaborate more efficiently. An optional pop-up webcam available with Full HD or infrared camera transforms your collaboration capabilities. Available with Intel Unite[®] software to enable smart and secure meetings.

OPTIPLEX 5490 ALL-IN-ONE

An intelligent, sustainably built all-in-one with an expansive 24" display. Featuring enhanced security and productivity in a space-saving design. Featuring the built-in artificial intelligence of Dell Optimizer.

The right screen for the job: New 24" Touch and Non-Touch FHD displays offer a large active area with an InfinityEdge slim bezel.

Incredible graphics: Support for NVIDIA[®] discrete graphics cards deliver crisp images and enhanced video experiences.

Log on & collaborate with ease: Optional pop-up webcam available with Full HD or infrared camera featuring Windows Hello support and facial recognition for easy sign-on. Featuring Windows 10 Modern Standby to enable an instant on/instant off user experience to achieve low power and constant connectivity. Dual mic array and mainstream speaker with Intelligent Audio makes smart adjustments to communicate & collaborate more efficiently.

OPTIPLEX 3280 ALL-IN-ONE

Sustainably built all-in-one with a larger 22" display. Featuring enhanced security in a space-saving design.

See and do more: Designed with an expanded 22" Full HD touch panel, this all-in-one offers 28.5% more active workspace than the previous generation. The new IPS screen offers better color reproduction and viewing angles, improving refresh rate and response time over prior model.

Faster user experiences: Two SoDIMMs deliver double max memory up to 64GB, than the previous model, providing more bandwidth for large data sets and complex tasks.

Interact with ease: Choice of ergonomic stands, and the ability to use the screen as a second screen to view and share content, making this an ideal solution for collaborative workspaces.

CERTIFIED TRUE COPY

QAA

OPTIPLEX 7090 TOWER, SMALL FORM FACTOR AND MICRO

Intelligent desktops built to deliver ultimate expandability and performance. Optional Intel® vPro™ supports remote and advanced out-of-band management capabilities.

Faster user experiences: Optimize the performance of your top 5 apps with the built-in artificial intelligence of Dell Optimizer ExpressResponse. New ExpressConnect keeps users connected to the best available network for fewer interruptions. Available with dual M.2 SSD option and USB 3.2 Type C Gen 2x2 (20Gbps Data) support for increased data access speed.

Power through your workday: Built with up to 11th gen Intel® up to Core™ i9 with 125W, 8 core processor on the 7090 tower, experience the most powerful OptiPlex yet.

Immersive productivity: Now with discrete graphics support on micro, achieve better visuals for 3D rendering and 4K monitor use. Fully engage with rich VR content with support for high-end 220W class graphics card on 7090 tower.

Built smart: The 18L tower delivers more expansion options while maintaining an overall compact design for the modern workspace.

OPTIPLEX 5090 TOWER, SMALL FORM FACTOR AND MICRO

Intelligent, mainstream desktops with right-sized performance & configurations. Intel® Standard Manageability provides basic out-of-band management capabilities for more uptime end users and IT.

Faster user experiences: With AI-powered Dell Optimizer ExpressResponse, your system will continually learn and adapt to how you work to optimize the performance of your top 5 apps. New ExpressConnect keeps users connected to the best available network for fewer interruptions.

Impressively powerful: Built with up to 11th generation Intel® up to Core™ i7 processors and doubled max memory for tower, small form factor and micro from previous generation provides better performance while running multiple or large applications.

VR-ready: With support for next generation NVIDIA® discrete graphics, the 5090 tower is ready to deliver entry commercial VR content experiences.

Work how you need: Its space-saving, tool-less designs and versatile mounting options for micro allow for easy serviceability and a clutter-free workspace, with plenty of expandability options across each form factor.

OPTIPLEX 3080 TOWER, SMALL FORM FACTOR AND AND 7080 XE MICRO

Business desktops with streamlined performance and essential manageability options to drive maximum value.

Efficient performance: Speed through routine tasks seamlessly with 10th generation Intel® Core™ processors, up to 35W on micro and 65W on towers and small form factor. Now supporting up to 64GB DDR4 (32GB DIMMS) max memory - double that of previous gens - to deliver faster user experiences.

Smart design: The compact, entry tool-less designs and versatile mounting options for micro allow easy serviceability and a clutter-free workspace. The new shift venting pattern of the chassis maximizes air intake to keep the system cool.

Convenient connectivity: Connect with ease with native DisplayPort and HDMI and optional VGA, HDMI 2.0b or 2nd DisplayPort.

OPTIPLEX XE3 TOWER, SMALL FORM FACTOR AND 7080 XE MICRO

Industrial-grade desktop with an ultralong lifecycle and expandability options, featuring enterprise-class performance and management capabilities.

Long lifespan: A minimum three-and-a-half-year purchase lifecycle eases management and planning.

Durability where it matters most: From healthcare, retail, to the manufacturing floor, the XE3 is built to power industries, even in the most challenging physical conditions. OptiPlex 7080 XE Micro complements the XE3 line up in a minimal footprint. It offers a stable, commercial compute solution and support for discrete graphics.

Workforce Modernization

It's more than a concept; it's our approach to modernizing your workforce. Our products, solutions and services support your IT team and help your employees work from home, the office, or a combination of both — simplifying and streamlining their work-life even if they're always on the move.

Dell Software & Services Solutions

END USER DEVICES

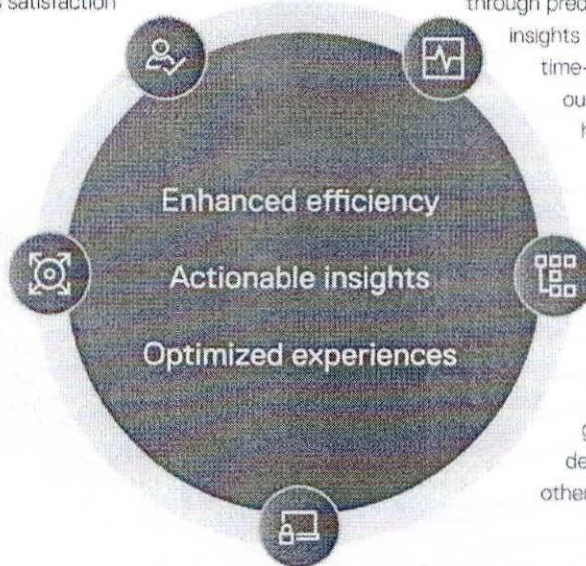

Provide the right device with the right software for any setting to give employees satisfaction and business perspective.

SUPPORT

Automatically detect and proactively prevent issues through predictive analytics. Use our AI-driven insights to resolve issues remotely or leave time-consuming support issues in our hands with 24x7 access to our hardware and software experts.

DEPLOY

Quickly get employees to work and save valuable IT time by provisioning applications at the factory and shipping ready-to-use devices directly to employees wherever they work.

MANAGE

Take advantage of the console of your choice to set up, configure, monitor and update your entire endpoint fleet. Securely deliver and manage applications from the cloud, giving users smooth access to any device, including from other vendors.

SECURE

Use intelligent solutions that secure endpoints from both above and below the OS. Prevent, detect and remediate attacks. Detect outside attacks that have altered the BIOS. Encrypt sensitive data on devices and in the cloud. Protect credentials with built-in hardware.

aaS

You can enjoy modernization through different consumption models:

Traditional cash purchase outright or as fixed monthly plan with no upfront investment.

Featuring Intel® Wi-Fi 6 AX200, you'll benefit from the latest Wi-Fi technology, supporting faster top transfer speeds.

SEAMLESS COLLABORATION

Optional pop-up web camera with optional Infrared + Full HD hides safely out of sight when not in use and adds a layer of security with facial recognition through Windows® Hello and Microsoft® Skype for Business. Features a dual microphone array for crystal clear communication.

STUNNING FROM EVERY ANGLE

Designed with a newly expanded 22" Full HD touch panel, this all-in-one offers 28.5% more active workspace. The new IPS screen offers better color reproduction and viewing angles, improving refresh rate and response time over prior model. Available with anti-glare touch and non-touch options to work how you need.

SMART SOLUTION

Work smart and comfortably with a sustainably built all-in-one available with ergonomic stands and arms. TPM 2.0, lockable port cover, chassis intrusion switch and optional privacy filter provide security for peace of mind. It features Windows® 10 Modern Standby enabling an instant on / instant off user experience to achieve low power and constant connectivity.

PURPOSE-BUILT FOR OPTIPLEX AIO'S

PURPOSE-BUILT FOR OPTIPLEX ALL-IN-ONES

OPTIPLEX 3280 ALL-IN-ONE ARTICULATING STAND

Move your display forward, backward, or recline to a 60 degree angle. This stand makes touchscreen interaction comfortable.

OPTIPLEX 3280 ALL-IN-ONE HEIGHT ADJUSTABLE STAND

Raise, tilt, pivot or swivel your All-in-One with a stand that delivers personalized comfort and viewing angles.

OPTIPLEX 3280 ALL-IN-ONE DVD+/-RW ENCLOSED WITH HEIGHT ADJUSTABLE STAND

In this custom Height Adjustable Stand, a DVD+/-RW drive is integrated into the base of the stand for optimal convenience.

DELL OPTIPLEX ALL-IN-ONE PORT COVER

Designed for OptiPlex All-in-Ones, this easy to install, streamlined solution secures your ports and protects your investment.

DISPLAYS AND INPUT DEVICES

DELL 22 MONITOR - P2219H

Optimize your workspace with this efficient 21.5" monitor built with an ultrathin bezel, a small footprint and comfort-enhancing features.

TARGUS 4VU™ PRIVACY SCREEN FOR 21.6" WIDESCREEN MONITORS

Protect your information using this privacy screen which reduces the viewing angle to 30 degrees on either side. The privacy screen also blocks glare to reduce eye strain.

DELL PRO WIRED HEADSET - WH3022 (COMING SOON)

Experience exceptional audio clarity with this Teams certified wired headset that allows you to wear the microphone on either side for a customized fit.

DELL PRO WIRELESS KEYBOARD AND MOUSE - KM5221W

Enhance your everyday productivity with a quiet, full size keyboard and mouse combo that offers programmable shortcuts and 36 months battery life.

DELL WIRED MOUSE WITH FINGERPRINT READER - MS819

Wired mouse with fingerprint reader offers convenient and secure login and online access without passwords.

TARGUS STYLUS FOR CAPACITIVE TOUCH DEVICES

Write accurately and comfortably with a durable stylus that won't scratch your screen. Operates with no power or software required.

Workforce Modernization

It's more than a concept; it's our approach to modernizing your workforce. Our products, solutions and services support your IT team and help your employees work from home, the office, or a combination of both — simplifying and streamlining their work-life even if they're always on the move.

Dell Software & Services Solutions

END USER DEVICES

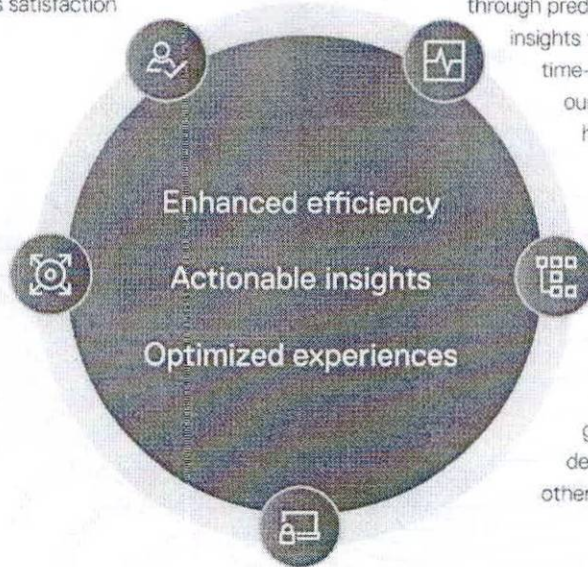

Provide the right device with the right software for any setting to give employees satisfaction and business perspective.

SUPPORT

Automatically detect and proactively prevent issues through predictive analytics. Use our AI-driven insights to resolve issues remotely or leave time-consuming support issues in our hands with 24x7 access to our hardware and software experts.

DEPLOY

Quickly get employees to work and save valuable IT time by provisioning applications at the factory and shipping ready-to-use devices directly to employees wherever they work.

MANAGE

Take advantage of the console of your choice to set up, configure, monitor and update your entire endpoint fleet. Securely deliver and manage applications from the cloud, giving users smooth access to any device, including from other vendors.

SECURE

Use intelligent solutions that secure endpoints from both above and below the OS. Prevent, detect and remediate attacks. Detect outside attacks that have altered the BIOS. Encrypt sensitive data on devices and in the cloud. Protect credentials with built-in hardware.

aaS

You can enjoy modernization through different consumption models:

Traditional cash purchase outright or as fixed monthly plan with no upfront investment.

Dell SafeBIOS

BUILT-IN SECURITY ON THE INDUSTRY'S MOST SECURE COMMERCIAL PCS

DELL SAFEBIOS MITIGATES THE RISK OF BIOS TAMPERING WITH INTEGRATED FIRMWARE ATTACK DETECTION

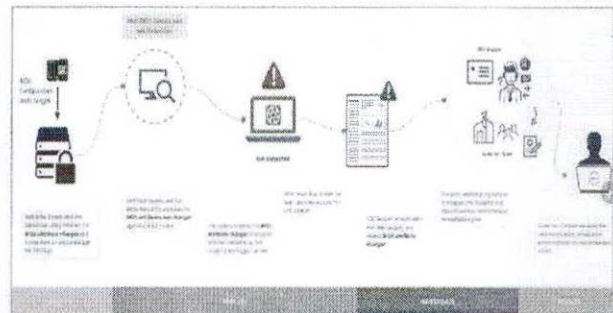

Enhanced BIOS Tamper Alert

Keeping organization's data safe, whether it be their intellectual property or customer's Personally Identifiable Information (PII), is foundational to data security. Hackers have become increasingly sophisticated, and as commonplace threats are being thwarted more frequently, cyber criminals are looking for more advanced ways to gain this critical information. With increasingly sophisticated endpoint security solutions like next-gen antivirus and managed endpoint detection and response, the attack vectors are narrowing and adversaries are forced to look for alternate invasion points.

Protecting the BIOS is critical to an organization's security posture.

Popular endpoint security solutions primarily focus on the local operating system and the applications layered above it, leaving the lowest level of the PC stack, the BIOS, vulnerable to malicious attacks that can incapacitate your entire system. When malware owns the BIOS, it owns the PC and access into the network. BIOS is an extremely high impact compromise - attacking the root of trust for the PC and thus are very persistent. If an attacker gains access to the BIOS, they can compromise all a device's endpoint security capabilities, as well as an organization's entire network. This type of attack is highly technical and when executed, very damaging. This gaping vulnerability has become an area of increasing concern as attackers look for new vectors of attack.

Dell SafeBIOS responds to this security paradigm shift

With the growing frequency of BIOS-specific attacks, and new malware variants possessing the ability to reinstall themselves within the BIOS, organizations need a more sophisticated way to not only protect their systems, but confidently verify that their systems have not been compromised.

Dell integrates post-boot verification into its commercial PCs giving IT the assurance that employees' BIOS have not been altered. Rather than storing BIOS information on the hardware itself, which is susceptible to corruption, Dell SafeBIOS delivers an off-host BIOS verification capability. SafeBIOS uses a secure cloud environment to compare an individual BIOS image against the official measurements held in the BIOS lab.

CERTIFIED TRUE COPY

Dell SafeBIOS

Additionally, Dell automates the early detection of BIOS Events and Indicators of Attack and high-risk configurations by bringing visibility to the BIOS configuration history. The continuous extraction and analysis of BIOS configurations and events will surface vulnerable endpoints and alert IT as the risk increases allowing them to take remediation.

Should the BIOS get corrupted or tampered with, Dell gives customers flexible reimage options so that the contaminated BIOS can be analyzed to understand the nature of the attack empowering customers to verify BIOS integrity using the off-host process without interrupting the boot process. SafeBIOS provides added visibility to BIOS changes along with extra assurances to keep threats at bay.

Additionally, should a BIOS get compromised, the image of the BIOS is captured automatically for analysis and remediation after going through the BIOS recovery process.

Partner Integrations

These combined capabilities provide the ability to more quickly identify and remediate potential risks. The standalone capability is currently available from Dell Support.

VMware Workspace ONE provides IT management with new visibility of BIOS status for unified endpoint management. Integration with VMware Workspace ONE enables IT to set up automated workflows to push over-the-air updates and restore devices to compliance.

The combined power of VMware Carbon Black Audit and Remediation and Dell SafeBIOS provides state of the art security both above and below the OS and enables telemetry from the off-host BIOS verification status on the Dell Commercial PC offering. The integrated solution allows security and IT teams to automate reporting of the verification status so they can take action to remediate compromises resulting from BIOS tampering. This partnership reinforces Dell as the industry's Most Secure Commercial PC provider.

Dell SafeBIOS is part of the larger Dell Trusted Devices endpoint security portfolio with solutions that support the endpoint both above and below the OS for a true comprehensive approach to data protection, including:

- SafeBIOS: Gain visibility to hidden and lurking attacks with BIOS tamper alert through Dell exclusive off-host BIOS verification¹, BIOS Image Capture and BIOS Events and IoA.
- SafeID: Only Dell secures end user credentials in a dedicated security chip, keeping them hidden from malware that looks for and steals credentials.
- SafeScreen: End users can work anywhere while keeping private information private with an integrated digital privacy screen.
- SafeData: Protect sensitive data on device to help meet compliance regulations, and secure information in the cloud giving end users the freedom to safely collaborate.
- SafeGuard and Response (powered by VMware Carbon Black and Secureworks): Prevent, detect and respond to advanced malware and cyber attacks to stay productive and free from the disruption and churn an attack can cause.

Contact your dedicated Dell Endpoint Security Specialist today at endpointsecurity@dell.com to discuss how we can help improve your security posture.

Dell SafeID

Built-in Security on Trusted Devices

Dell SafeID with ControlVault protects PCs against sophisticated threats

Keeping organization's data safe, whether it be their intellectual property or customer's Personally Identifiable Information (PII), is foundational to data security. Hackers have become increasingly sophisticated, and as commonplace threats are being thwarted more frequently, cyber criminals are looking for more advanced ways to gain this critical information. With increasingly sophisticated endpoint security solutions like next-gen antivirus and managed endpoint detection and response, the attack vectors are narrowing and adversaries are forced to look for alternate invasion points.

Protecting users credentials is critical to securing an organizations PCs.

Many of today's endpoint security solutions focus primarily on the operating system level. This can leave things such as user credentials vulnerable to malicious attacks. Once credentials are accessed, security is compromised on the end point as well as throughout the organization.

Dell SafeID is a response to this risk

While other solutions are available such as the Trusted Platform Module, Dell SafeID with Dell ControlVault is a solution unique to Dell and provides an extra layer of security.

Dell SafeID helps protect secure operations by isolating them from the operating system environment and memory and instead, all processing and storage of critical data takes place on a processing and memory chip.

This provides a unique hardware-based security solution that provides a hardened and secure bank for storing user credentials such as passwords, biometric templates and security codes within firmware and locked away from malicious attacks.

Dell SafeID hardens end-user credentials

- Stores and executes code using a secure processor
- Stores end-user credentials to allow a single point of migration
- Supports a broad set of crypto algorithms such as Suite B and active ECC

Secure & Isolate Encryption Keys and Templates

SafeID executes operations and stores credentials within its secure boundary which allows credentials to be kept secure and protected against any inspection or modification of the execution process. SafeID stores the execution code for secure processes within this secure boundary keeping malicious applications from accessing it.

Sealing Off Code Execution & Storage

Dell SafeID lets applications store keys and templates within a protected boundary that is strictly controlled. All usage of keys and templates are isolated from the host so they are never exposed to attacks.

4/16

Dell SafeID is part of the larger Dell Trusted Security portfolio including:

- **Trusted Devices:** The foundation to a modern workforce environment with invisible and seamless protection to ensure smarter, faster experiences. End users stay productive and IT stays confident with modern security solutions.
- **SafeBIOS:** Gain visibility to hidden and lurking attacks with BIOS tamper alert through Dell exclusive off-host BIOS verification.¹
- **SafeID:** Only Dell secures end user credentials in a dedicated security chip, keeping them hidden from malware that looks for and steals credentials.¹
- **SafeScreen:** End users can work anywhere while keeping private information private with an integrated digital privacy screen.
- **SafeData:** Protect sensitive data on device to help meet compliance regulations, and secure information in the cloud giving end users the freedom to safely collaborate.
- **SafeGuard and Response** (powered by VMware, Carbon Black and Secureworks): Prevent, detect and respond to advanced malware and cyber attacks to stay productive and free from the disruption and churn an attack can cause
- **Trusted Data:** Dell constantly monitors and protects the endpoint ecosystem with Dell SafeGuard and Response, while giving IT confidence that data is secure even while end users collaborate freely with Dell SafeData.

ESTABLISH A MATURE SECURITY FRAMEWORK:

Proactively managing your organization's cybersecurity maturity is essential for defending against targeted cyber-attacks. Establishing a set of mature, robust security controls and understanding that prevention alone is not enough, can help you prepare proactively and enable your organization to successfully deal with the next security event.

Contact your dedicated Dell Endpoint Security Specialist today at endpointsecurity@dell.com to discuss how we can help improve your security posture.

I. WARRANTY SUPPORT ESCALATION PROCEDURE

Service Support:

Customer/Client calls Macrologic for a service call and supplies the following information:

- a. *Contact person and telephone number (landline and mobile)*
- b. *Unit information (Serial Number, Machine Type)*
- c. *Detailed Description of the Problem*

Calls received DURING OFFICE HOURS (8X5, Mondays to Fridays):

Upon receipt of a Problem Call:

a. Macrologic Helpdesk Support:

- *Logs the Call (Service Call) for proper recording and provide a Case Ticket Number*
- *Refers the call to the Technical Helpdesk Support if needed*

b. Macrologic Assigned/Dedicated Engineer:

- *Assess the nature of the Call and provide telephone or remote support.*
- *The technical helpdesk support verifies the warranty support bundled on the hardware or software.*
- *If the issue cannot be resolve thru phone or remote support, the Engineer will be dispatch the same day or based on the agreement with customer.*
- *If the hardware or software is under principal support, the call will be escalated to Principal for the proper assignment of an Incident Number as a tracking ticket of every service call.*

c. Principal Support

- *Assess the nature of the Call and provide telephone support.*
- *Will assign a Service Engineer to do an on-site support, troubleshooting and repair if needed.*

NOTE: Subsequent call inquiries should be referred to the incident number assigned on the service call logging system.

For Support Request during office hours (8AM to 5PM, Mondays to Fridays), customer can contact the following Macrologic Helpdesk Support:

MACROLOGIC HELPDESK SUPPORT HOTLINE:

KNOW ALL MEN BY THESE PRESENTS:

That we, MACROLOGIC DIVERSIFIED TECHNOLOGIES, INC. of
3rd Floor, Macrologic Corporate Center, No. 9054 Molino Road, Brgy. Molino 3, Bacoor, Cavite Principal
and **TRAVELLERS INSURANCE & SURETY CORPORATION**, a corporation organized and existing
under and by virtue of the laws of the Philippines, as SURETY, are held and firmly bound unto the OBLIGEE
PROFESSIONAL REGULATION COMMISSION- MANILA in the sum of PESOS
ONE MILLION SIX HUNDRED THIRTY EIGHT THOUSAND NINE HUNDRED FIFTY SEVEN & 60/100 ONLY 1,638,957.60
Philippine Currency, for the payment of which sum well and truly to be made, we bind, ourselves, our heirs executors,
administrators, successors and assigns, jointly and severally, firmly by these presents:

THE CONDITIONS OF THIS OBLIGATION ARE AS FOLLOWS:

This bond is conditioned to guarantee the full and faithful performance and/or compliance by the
Principal herein of its obligation and undertakings for the Supply and Delivery of One Hundred Twenty Four (124)
Sets of Desktop Computer- Rebid; as specified under Notice of Award dated November 10, 2021; a copy of
which is attached to be made integral part of this bond.

WHEREAS, This bond is "CALLABLE ON DEMAND". As per R.A. 9184

PROVIDED, HOWEVER, that the liability of the Surety under this Bond shall in no case
exceed the total sum of PESOS, ONE MILLION SIX HUNDRED THIRTY EIGHT THOUSAND NINE HUNDRED
FIFTY SEVEN & 60/100 ONLY (Php. 1,638,957.60) Philippine Currency.

**** NOTHING FOLLOWS ****

WHEREAS, the insurance company shall require the principal to put a collateral as a condition precedent for the
issuance of this bond.

NOW, THEREFORE, if said Principal shall in all respect duly and fully perform all and singular covenant,
terms, conditions and agreement stipulated in said award to the true intent and meaning thereof, then this obligation
shall be null and void, otherwise it shall remain in full force and effect.

The liability of **TRAVELLERS INSURANCE & SURETY CORPORATION**, under this bond will
expire on November 10, 2022 and this bond will be deemed automatically cancelled ten (10) days after its
expiration unless the Surety is notified in writing within said period of any existing obligation thereunder. It is hereby
further agreed and understood that no action at law or equity shall be brought against the Surety under this Bond unless
the same is brought before a competent Court within one year from the date said written notice of any existing
obligation is received by the Surety, as herein stipulated.

IN WITNESS WHEREOF, this 16th day of November, 2021 at
Quezon City, Philippines.

AFFIDAVIT

I, **Lean Isiah M. Garonita**, of legal age, single, Filipino, and residing at 91-A Ilocos Sur St. Barangay Ramon Magsaysay, Quezon City, Philippines after having been duly sworn in accordance with law, do hereby depose and state that:

1. I am the duly authorized and designated representative of Macrologic Diversified Technologies Inc. with office address at #9054 Molino Road Barangay Molino 3 Bacoor, Cavite City, Philippines;
2. I am granted full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for **Supply and Delivery of One Hundred Twenty-Four (124) Sets of Desktop Computer / ITB 2021-20**, of the **Professional Regulation Commission**, as shown in the attached duly Notarized Secretary Certificate.
3. **Macrologic Diversified Technologies Inc.** is not "blacklisted" or barred from bidding by the Government of the Philippines or any of its agencies, offices, corporations, or Local Government Units, foreign government/foreign or international financing institution whose blacklisting rules have been recognized by the Government Procurement Policy Board; By itself or by relation, membership, association, affiliation, or controlling interest with another blacklisted person or entity as defined and provided for in the Uniform Guidelines of Blacklisting.
4. Each of the documents submitted in satisfaction of the bidding requirements is an authentic copy of the original, complete, and all statements and information provided therein are true and correct;
5. **Macrologic Diversified Technologies Inc.** is authorizing the Head of the Procuring Entity or its duly authorized representative(s) to verify all the documents submitted;
6. None of the officers, directors and controlling stockholders of **Macrologic Diversified Technologies Inc.** is related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;
7. **Macrologic Diversified Technologies Inc.** complies with existing labor laws and standards;
and
8. **Macrologic Diversified Technologies Inc.** is aware of and has undertaken the responsibilities as a Bidder in compliance with the Philippine Bidding Documents, which includes:
 - a) Carefully examine all of the Bidding Documents;
 - b) Acknowledge all conditions, local or otherwise, affecting the implementation of the Contract;
 - c) Making an estimate of the facilities available and needed for the contract to be bid, if any; and
 - d) Inquiring or securing Supplemental/Bid Bulletin(s) issued for the **Supply and Delivery of One Hundred Twenty-Four (124) Sets of Desktop Computer / ITB 2021-20**.
9. **Macrologic Diversified Technologies, Inc.** did not give or pay directly or indirectly, any commission amount, fee, or any form of consideration, pecuniary or otherwise, to any person or official, personnel or representative of the government in relation to any procurement project or activity.
10. In case advance payment was made or given, failure to perform or deliver any of the obligations and undertakings in the contract shall be sufficient grounds to constitute criminal liability for Swindling (Estafa) or the commission of fraud with unfaithfulness or abuse of confidence through misappropriating or converting any payment received by a person or entity under an obligation involving the duty to deliver certain goods or services, to the prejudice of the public and the government of the Philippines pursuant to Article 315 of Act No. 3815 s. 1930, as amended, or the Revised Penal Code.

AUTHORITY OF SIGNATORY

SECRETARY'S CERTIFICATE

I, Daryll M. Menta a duly elected and qualified Corporate Secretary of Macrologic Diversified Technologies Inc., a corporation duly organized and existing under and by virtue of the laws of the Philippines, DO HEREBY CERTIFY, that

I am familiar with the facts herein certified and duly authorized to certify the same;

At the regular meeting of the Board of directors of the said Corporation duly convened and held October 12, 2021. at which meeting or quorum was presented and acting throughout, the following resolutions were approved, and the same have not been annulled, revoked and amended in any way whatever and are in full force and effect of the date hereof;

Board Resolution No.: 42 - 2021

RESOLVED, that Macrologic Diversified Technologies Inc. be, as it hereby is, authorized to participate in the bidding of Supply and Delivery of One Hundred Twenty-Four (124) Sets of Desktop Computer – Rebid/ITB 2021-20 by the Professional Regulation Commission and if awarded the project, shall enter into a contract with the Professional Regulation Commission and in connection therewith hereby appoint Mr. Lean Isiah M. Garonita acting as duly authorized and designated representative of our firm/company/corporation, is granted full power and authority to do, execute and perform any and all acts, necessary and/ or to represent the firm/company/corporation in the bidding as fully and effectively as the firm/company/corporation might do if personally present with full power of substitution and revocation and hereby satisfying and confirming all that my said representative shall lawfully do or cause to be done by virtue hereof;

RESOLVED FURTHER THAT, the firm/company/corporation hereby authorizes its President to:

- (1) Execute a waiver of jurisdiction whereby the firm/company/corporation submits itself to the jurisdiction of the Philippine government and hereby waives its right to question the jurisdiction of the Philippine courts;
- (2) Execute a waiver that the firm/company/corporation shall seek and obtain writ of injunctions or prohibited or restraining order against AFP or any other agency in connection with this project to prevent and restrain the bidding procedures related thereto, the negotiating of and award of a contract to a successful bidder, and the carrying out of the awarded contract.
