- Pursuant to Memorandum No. 24 (s.2020) or Post Enhance/Local Community Quarantine Interim Guidelines, all are advised of the precautionary measures and protocols that shall be observed and implemented during the conduct of licensure examinations such as, but not limited to the following:**
 - All examinees shall be required to wear and bring their own protective face mask and alcohol-based sanitizers. For identity verification purposes and pre-examination checking of examination paraphernalia, the face mask shall be required to be properly taken off temporarily to show the examinees' face and the inner part of the facemask. Face masks during the progress of the exam shall not be allowed to be taken off.
 - All examination personnel shall be provided with extra protective face masks or face shield and latex gloves.
 - All examinees and examination personnel shall be required to queue upon entry with a one-meter distance radius from other examinees.
 - Body temperature shall be taken through thermal scanners prior entry to the testing venue premises. Those with fever, cough or colds shall not be allowed entry to the testing venues. Affected examinees shall be allowed, however, to take the next licensure exam without additional cost.
 - Physical/social distancing among and between examinees and examination personnel during the entirety of the exam and during their entire stay at the testing venue shall be observed. Congregation, gathering or assembly within the examination rooms, hallways or any area within the testing venue shall be strictly prohibited.
 - All examinees and examination personnel shall not be allowed to go outside the examination room during break time and lunch time. They shall be advised to bring their own packed lunch and snacks with them to be placed under their seats, and to be taken out only during break time.
 - Proper hand hygiene shall be observed particularly every after use of the restrooms.
 - Prior to entry to the examination rooms, examinees shall be required to sanitize their hands and their plastic envelopes with their sanitizers or alcohol.
 - Prior to the distribution of the Test Questionnaires/Booklet, examinees shall again be required to sanitize their hands using their alcohol or hand sanitizers. Hand sanitizers thereafter shall be placed in their transparent envelopes and shall be deposited or placed at the designated area of the examination room. The same process shall be done every start of each examination subject.
 - The testing venues shall be required to conduct thermal scanning procedure including the provision of sanitizing footbath and for their security personnel to implement proper COVID-19 precautionary measures.
- In addition to the above, pursuant to Memorandum No. 68 (s. 2020), the examinees are required to **submit RT-PCR Test Results**, if falling under the groups stated in DOH Memorandum 2020-258A, or **Certificate of Quarantine**.
- Only those examinees with negative results shall be allowed to take the examination. Please see this [link https://www.prc.gov.ph/sites/default/files/2020-68Memo.pdf](https://www.prc.gov.ph/sites/default/files/2020-68Memo.pdf) for detailed information.
