**PROFESSIONAL REGULATORY BOARD OF VETERINARY
MEDICINE**

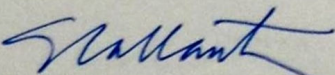

**PRC RESETS VETERINARY MEDICINE LICENSURE EXAMINATION TO
SEPTEMBER 18, 19 & 20, 2013.**

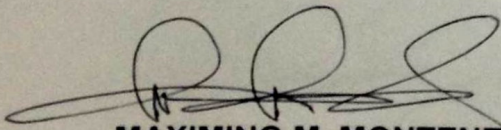

The Professional Regulation Commission today announced the resetting of the Licensure Examination for Veterinary Medicine to September 18, 19 & 20.

The PRC made the announcement after it decided to postpone the examination originally scheduled on August 20, 21 & 22, 2013 in Manila and Cagayan de Oro City.

The PRC had earlier stated that the postponement of the board examination was made with due consideration of the safety of examinees and examination personnel particularly because of widespread flooding in Metro Manila, which rendered routes leading to the examination site at the Manuel L. Quezon University in Quiapo, Manila inaccessible and impassable. The examination scheduled on the same day in Cagayan De Oro City was also postponed.

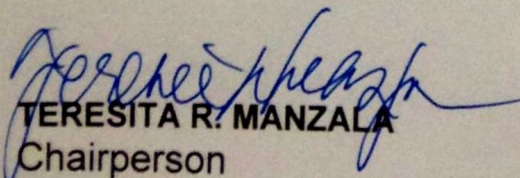

August 20, 2013.
